IARA-USA Partnership Guidelines

In our efforts to serve our recipients better and to facilitate our partnership, we have revised and developed a new partnership system starting on March 1, 2000. Any organization wishing to establish a partnership with IARA-USA is required to go through the following three-part process:

1. **Review the above-mentioned IARA-USA Partnership Guideline.**
2. **Fill out the Partnership Request for Information Form (PRIF) and send it to IARA-USA, in care of Dr. Ibrahim Khaleel.**
3. **IARA-USA Partnership Review Committee will review the materials and make a recommendation to the Executive Director.**
4. **IARA-USA Executive Director will have the final decision and you will be informed accordingly.**

Should you have any questions and/or have concerns, please do not hesitate to contact us.
