"The armed struggle of the Bangsamoro Muslim in Southern Philippines is no less a struggle to regain their rightful place in society, the usurped traditional landholdings, their legitimate rights to self-determination, than the establishment of a permanent foothold for Islam in their homeland."

" SUPPORT THE JIHAD FII SABILILLAH IN BANGSAMORO "

The Almighty Allah has spoken out the Muslim nation as one nation which should in all cases, seek unity and solidarity.

God said in the Holy Qur'an:-

" And verily this is your nation, one nation, and I am your Lord, so worship me. " (Al-Mo'minoon:52)

" The believers of faith are brothers." (Al-Hojrat:10)

" MUSLIM BROTHERS AND SISTERS ALL OVER THE WORLD "

" And the believers should not all go out to fight, of every troop of them a party duly only should go forth that they (who are left behind) may gain sound knowledge in religion, and that they may beware." (9:122)

" Jabir bin Samura reported Allah's Messenger as saying, This religion will not cease to endure with a company of the muslims fight on it's behalf till the last hour comes." (Muslim)

" And don't forget for one single moment that this struggle is a continuous one, our march is a march of history and freedom, come rain, come shine." (Chairman Nur Misuari)

" As a matter of policy, the Moro National Liberation Front (MNLF) never discount the possibility of a peaceful settlement, but experience shows that unless the attitude of the manila government is change - or better still, Marcos and his repressive regime go - - peace will elude our grasp and the War can only escalate." (Chairman Nur Misuari)

Thus our fight must go on. we, the oppressed bangsamoro mujahideen and the bangsamoro oppressed people will continue to fight the philippine colonialism till the last drop of their blood but this not a war can be won by them alone. The free people of the world should feel their responsibility towards this cause. THE VICTORY OR TO THE GRAVEYARD of the bangsamoro people is a victory for all free men or their failure is a disaster to all muslims.

Every Muslim around the globe with any sense of dignity must react now! whatever you can do - do it for Allah's sake, but whatever you do don't just set-back and do nothing!!! may Allahu subhanahu wa ta'ala give your strenght, courage, and more power in your efforts:-

Holy Qur'an Says:-

. . . and help one another in goodness and piety, and do not help one another in sin and aggression, and be careful of (your duty to Allah)." -5:2

Share your love and help to the oppressed bangsamoro people and their mujahideen, your contribution is urgently needed!!! - - - Please send your assistance humanitarian and any form of assistance, moral, material and financial donatic or contribution to:-
