The U.S. occupy Somalia using the excuse of helping the Muslims.

To all the Muslims in the world, we call on you to stand up for your land and for your brothers in Islam. Now there is a new attack on the land of the Muslims and on your Muslims brothers. Under the plan and instructions of the Jewish Zionist Lawrence Eagleburger there is currently an attack and occupation by American forces under the name of the United Nations. All Muslims should know that the Somalians only need healthcare, food, and support, and not military forces there which is what our representatives there found out. The plan is to cause Somalia to be in its worst condition and then to come to occupy saying we are here to help. Not very long ago America tricked Iraq to invade Kuwait so that they could occupy the Gulf Region. We now are asking the Muslims government who have objections to the what happened in the Gulf, why they have no objections now.

We remind all Muslims especially those whose grandfathers were companions of the Holy Prophet (Peace and Blessing of Allah Upon him) that the Companions were few and yet very few people would attack them until they gained through Allah Most High a very high position of rule throughout the world.

Allah said to all of you Muslims:

"O ye who believe, if ye listen to a faction amongst the people of the book. They would turn you into disbelievers after you have believed." (Sura Imran:100)
قال الله: "يا أيها الذين آمنوا إن تطيعوا فريقاً من الذين أوتوا الكتاب يردوكم بعد إيمانكم كافرين" (٣:١٠٠)

Oh my brothers in Islam, Allah here is telling you that if you listen to the non believers, they will attack you, steal your land, break your economy, and do the same to your neighbors.

The Holy Prophet Mohammed Peace and Blessing of Allah be Upon him said "Whoever amongst you goes to sleep without having any concern for his brothers (in Islam) is not from one of us. And whoever amongst you wakes up without having any concern for his brothers (in Islam) is not from one of us".
