My mother, may God bless her sole, was sitting there, then I told her: O mother, what am I waiting for, all my brothers were killed, the only person who must be killed is me. In the name of God, mother, I ask God if he want to take anything from me, to take everything except my chance to become a Martyr. My dear mother, may God protect her, said: Don't be scared, God will not deprive you from becoming one.
